### Homework 3

Question 1.)

a.) Ave Tat = 12.333 time units.

b.) Ave Tat = 12 time units.

Question 2.)

FIFO ATT = 3 Time Units

SJF ATT = 3 Time Units

SRT ATT = 2.5 Time Units.

Question 3.)

a.)  $M=450 / Q = 100\text{ms}$ ;  $M = 90 / Q = 10\text{ms}$ ;  $M = 50 / Q = 0\text{ms}$

b.) % CPU wasted: 18.6%

Question 4.)

FIFO ATT = 8.6

SJF ATT = 7.6

SRT ATT = 7.2

**FIFO**

ATT = 8.6

**SJF**

ATT = 7.6

**SRT**

ATT = 7.2

7 8 9 10 11 12 13

p5 arrives

7 8 9 10 11 12 13

p5 arrives

p5 executes p5 TAT = 3

7 8 9 10 11 12 13

p5 arrives p5 executes P5 TAT = 2

14                      15                      16                      17                      18                      19                      20

p3 TAT = 9

14                      15                      16                      17                      18                      19                      20

ecutes

p3 TAT = 11

14                      15                      16                      17                      18                      19                      20

P2 TAT = 13

21

p5 TAT = 12

p4 TAT = 14

p4 TAT = 14
